

Michigan Department of Environmental Quality

Operator's Math

This multi-day course is approved for up to 2.4 CECs in the technical category for certified drinking water and wastewater operators.

Who should attend?

This training has been developed for operators who need a refresher or are interested in expanding their knowledge of basic and applied math concepts related to the water industry. The topics that will be covered range from decimals, fractions & percentages, basic algebra & proportions, unit conversions, calculations of volumes and areas; velocity, flow rates; detention times; calculation of weight relationships, part per million equations; hydraulics; chlorination and fluoridation.

When & Where is the class?

This is going to be an 8 week long course for 3 hours a week on every Friday morning from 9 a.m. – 12 p.m. downtown Lansing (Look below for more details).

Cost: \$150 – includes workshop materials

KEY:

Public Parking

CONSTITUTION HALL

Exit I-496 at M.L. King Blvd. Turn onto northbound M.L. King Blvd. Turn right onto Allegan Street. Constitution Hall will be on your right (between Pine Street and Walnut Street).

Park in the lot at the front of the building (east side). This lot is operated by Ellis Parking and is accessible from Allegan Street. If this lot is full, continue down Allegan Street to the Ellis Parking Ramp on the corner of Allegan and Capitol. For both parking locations, bring your parking ticket inside, and it will be validated when you arrive. All visitors must enter the building through the east doors. Uniformed security personnel check the identification of people entering the building.
